

HARVARD SUMMER SCHOOL SEOUL, KOREA 2023

Program Dates: **June 25, 2023-August 19, 2023**

Courses:

THINKING OUT OF THE BOX -- EXPLORING NEW INSIGHTS INTO NORTH KOREA

The course's objective is to hone students' critical thinking skills by exploring new insights into North Korea through the lens of recent interviews with defectors. The course focuses on deepening ties between the Workers' Party of Korea and the Communist Party of China; increasing commercialization in the elite regime circle (the top 1%) through state trading company activities and among the entrepreneurial masses (the bottom 99%) through local markets; and how financial sanctions actually bolster North Korean procurement networks.

MULTI-TRACK KOREAN LANGUAGE INSTRUCTION MULTI-TRACK KOREAN LANGUAGE INSTRUCTION

In addition to the course on North Korea, students will study Korean language for credit. Multi-track instruction in Korean language reinforces language skills and enriches students' understanding of Korean culture. Students need not have prior experience with Korean language.
