Harvard Summer School (HSS) Seoul, Korea Program (Study Abroad)

Ordinarily HSS-Korea Program deadline is in late January. The 2021 deadline will be forthcoming. HSS-Korea Program is 8 weeks long; half the class on the program is comprised of local Korean university students. Focus is on Korean Language (all levels) and a content course on North Korea in East Asian context. The 2021 North Korea course title is "Thinking Out of the Box -- Exploring New Insights into North Korea." Program is based at Ewha Womans University (co-ed in the summer.) Please see the HSS website for program details and the online application, typically available in December/January. More details also on the KI website.

****OCS Summer Funding and KI Scholarships for the HSS-Seoul, Korea Program are typically due the same date as the HSS Program application is due. The 2021 deadline will be forthcoming.** See the OCS Summer Funding website, as well as, visit the KI Website for the KI HSS in Seoul, Korea Program Scholarship funding information and process.

KI Tuition Waivers to Ewha Womans University International Co-ed Summer College or to Seoul National University-International Summer Program (SNU-ISP) (Study Abroad)

Ordinarily online applications are due on CARAT in early February. The 2021 deadline will be forthcoming. These study Programs are 4-5 weeks long.

Ewha-ISC Program - Students may take at least 1 Korean language course and 1 content class in English or 2 Korean language courses. If selected, tuition is paid for, KI pays airfare, student responsible for dorm cost, meals, and general living expenses. More details on the KI website.

SNU-ISP Program-Students may take 1 Korean class and 1 content class in English OR 2 content classes in English. If selected, tuition paid for, KI pays airfare and dorm cost, student responsible for meals and general living expenses. More details on the KI website.

KOREA INSTITUTE (KI), HARVARD UNIVERSITY SUMMER 2021 UNDERGRADUATE PROGRAMS IN SEOUL, KOREA

KI KAIST NEREC Tuition Waiver (Korea Advanced Institute of Science and Technology Nuclear Nonproliferation Education and Research Center Young Fellows Program (Tuition Waiver))

This is a new KI opportunity. Ordinarily online applications are due on CARAT in early February. The 2021 deadline will be forthcoming. The KI will award one full tuition waiver, dorm fees and airfare to one Harvard undergraduate, in any concentration, to attend the KAIST NEREC Young Fellows Program, summer 2021. **This opportunity is located at KAIST University in Daejeon, Korea and the program is in English.** The goal is to train and nurture the next generation of international leaders in nuclear nonproliferation. For five weeks, fellow students from various majors such as nuclear engineering, international relations and economics from schools in Korea and abroad participate in research activities including lectures and seminars, group projects, research work, and field trips visiting government agencies, think-tanks and nuclear facilities in Korea.

KI Summer Internship Program in Seoul, Korea (Internships)

Ordinarily online applications are due on CARAT in early February. The 2021 deadline will be forthcoming. There will be interviews for finalists. Program is 8 weeks long. Internships require solid background in the Korean language, with a minimum requirement of conversational fluency (2 years) and higher levels of fluency definitely preferred. Returning Harvard students are also preferred. If selected, the funding award to KI Interns is \$4500. From this award, interns will pay for their own airfare and dorm costs and living expenses. Housing will be in a dormitory based at Ewha Womans University. Our intern host organizations are the **Korea Herald**, the **ROK National Assembly** and CJ Corporation affiliate, **CJ ENM** (CJ Entertainment and Merchandising) Subject to change. More details and former intern reflections are shared on the KI website.

Undergraduate Summer Research Travel Grants to Korea (Research)

Ordinarily online applications are due on CARAT in early February. The 2021 deadline will be forthcoming. Korea Institute Undergraduate Summer Travel Grants are awarded to Harvard undergraduates in the humanities or social sciences to use in Korea for research and/or field work relating to a senior honors thesis in an area of Korean studies. Ordinarily, the award covers the cost of travel and research related expenses for the research project. **Ordinarily, undergraduate applicants must have at least two years of Korean language training or equivalent proficiency in the language.** In the case of exceptionally strong projects, more limited language background may be considered. More details on the KI website.
