

Summer Funding

Tips for Finding Summer Opportunities

- Visit the Summer Funding section on the OCS website (ocs.fas.harvard.edu/summer-funding).
- Use September and October to connect with proctors, PAFs, house tutors, teaching fellows, faculty, upperclassmen, and alumni to get ideas about what to do during your Harvard summers.
- Some organizations outside of Harvard, such as the State Department, have applications due as early as October—don't miss out on these.
- Use November and December to attend information sessions sponsored by different Harvard offices and connect with potential recommenders to ensure you have their support for your summer plans.
